This traditional villa is located on a flat plot of up to 3800 m2 within walking distance of the beach and just a 5-minute drive from the centre of Calpe. From the large roof terrace there are panoramic views of the sea, the Peñon de Ifach and the mountains surrounding the area. The villa is divided over two floors. The living area is on the first floor that is directly connected to the terrace and pool. Here we find a very spacious living room divided into several rooms separated by columns and arches. Thus, there is a dining area, a relaxation area with leather sofas and a fireplace and a...(Ask for More Details!)
