Land a Plots in Javea

€475,000

1,700m²

N/A

Beautiful building plot of over 1700m2 for sale in Javea, located in a unique location bordering the national park and with beautiful sea views. The center of Javea is easily accessible and is only 1. 3 km away. The building plot is south-oriented and a building license is included in the sales price, so you can start building a villa immediately. The building land is equipped with all the necessary facilities such as: asphalted roads, water, electricity, footpaths and street lighting.
