Ruin for Sale on a Large Plot Between Benissa and Pinos with Spectacular Views This ruin, located in a peaceful natural environment between Benissa and Pinos, offers spectacular panoramic views and beautiful sea views towards the famous Peñón de Ifach in Calpe. The property spans a total area of 120,000 m² of protected land, meaning it cannot be segregated. The plot contains a large ruin house of 500 m², distributed over two floors (250 m² per floor). Since this is a protected area, the ruin can be renovated, but it cannot be extended. Additionally, there is another dilapidated building on the plot with an area of 150 m², which...(Ask for More Details!)
