This fully buildable plot with sea views is situated in a peaceful area of El Portet. It offers the opportunity to erect a villa of up to three floors, allowing you to take full advantage of the stunning views. In addition, it has a project endorsed and ready to start construction, which speeds up the process for those interested in this magnificent opportunity. Moraira, a charming coastal town located within walking distance, offers a rich variety of services and amenities, from quaint restaurants to cosy waterfront cafés. In addition, its beautiful marina and white sandy beaches make it a desirable destination for sea and nature lovers. With an excellent location,...(Ask for More Details!)
