1,448m<sup>2</sup>

This impressive luxury villa stands majestically in a privileged location on the coast of the Valencian Community. With a panoramic view stretching from Moraira to the imposing Peñón de Ifach, this new construction offers an oasis of serenity just 5 minutes by car from La Fustera's sandy beach. Conceived as a collection of modern cubes harmoniously integrated into the landscape, this 267.50 m<sup>2</sup> villa spread over 4 levels offers exceptional design and unsurpassed construction quality. Inside, luxury and functionality are masterfully intertwined. Upon entering, the spectacular entrance hall welcomes you with dazzling views of the sea, while an elevator invites you to explore the different levels of (Ask for More Details!)
