Housing with private garden to reform. Village house with different types of hydraulic floors and rough stone decoration. The house has access to two streets. The house dates from 1900. Large room with fireplace in the living room, open spaces open the way to a private garden through a door in which we find land of 118m<sup>2</sup> with ancestral olive and lemon tree. On the upper floor, another fireplace in living room, a bedroom and bathroom. Going up a few steps another large bedroom with access to a balcony overlooking the street. On the top floor, small studio with gabled roof and above this, a terrace with wide and open views of about 20mtrs. Property...(Ask for More Details!)
