This spectacular bohemian-style villa, fully renovated in 2024, is a jewel located in one of the most exclusive areas of the Costa Blanca, in the charming town of Jávea. Designed for those seeking a unique home, this property combines luxury, comfort, and an unmistakable Mediterranean style, all in a privileged setting with stunning sea views. The main villa stands out for its spacious and bright interiors, where every corner has been carefully designed to maximize the connection with the natural surroundings. Large windows flood the spaces with natural light and offer panoramic views of the endless blue of the Mediterranean. The open-concept living rooms, along with bohemian and Mediterranean (Ask for More Details!)
